

	9	10	11	12	13	14	15	16	17	18	19	
<b>A</b>		Photosynthesis					Photosynthesis					
<b>B</b>		Environmental response A/ Physiological responses					Environmental response A/ Physiological responses					
<b>C</b>		Organelles/Cytoskeleton					Organelles/Cytoskeleton					
<b>D</b>		New technology					Reproduction					
<b>E</b>		Systems biology					Plant-organism interaction A					
<b>F</b>		Environmental response B/ Environmental stresses					Environmental response B/ Environmental stresses					
<b>G</b>		Primary metabolism					Primary metabolism/Specialized (secondary) metabolism/Plant hormones/Signaling molecules					
<b>H</b>		Development/Morphogenesis					Development/Morphogenesis					
<b>P · Q</b>	Poster presentation											
	Mounting posters								Questions and answers 1P, 1Q			
									Odd numbers	Even numbers		
<b>X</b>		Symposium S01 Stomatal research frontline —From molecules and cells to individual organisms—			Luncheon Seminar PCP	Symposium S04 Genetic transfer technology for plants and its associated sciences						
<b>Y</b>		Symposium S02 Interactions between Plants and Atmosphere: from Atom to Ecosystem					Symposium S05 Creating new molecules to manipulate plant functions					
<b>Z</b>		Symposium S03 Unveil the enigma of plant actuators: exploring molecular and evolutionary mechanisms and engineering applications				Symposium S06 Local and systemic signaling for environmental responses in plants						
<b>Other</b>												

	9	10	11	12	13	14	15	16	17	18	19
<b>A</b>	Photosynthesis										
<b>B</b>	Plant hormones/ Signaling molecules										
<b>C</b>	Organelles/Cytoskeleton/Membrane trafficking										
<b>D</b>	Reproduction										
<b>E</b>	Plant-organism interaction A										
<b>F</b>	Environmental response B/ Environmental stresses										
<b>G</b>	Specialized (secondary) metabolism/ Biomembrane/Ion and solute transport										
<b>H</b>	Development/Morphogenesis			Luncheon Seminar Evident Corporation							
<b>P · Q</b>	Poster presentation										
	Poster removal 1P, 1Q	Mounting posters			Questions and answers 2P, 2Q						
					Odd numbers	Even numbers					
<b>X</b>	Genome function/Gene regulation			Luncheon Seminar International Committee							
<b>Y</b>	Symposium S07 Plant and Algal Lipids: How they cope with environment by modifying lipids?										
<b>Z</b>	Symposium 08 Survival strategies and its molecular basis of plants through switching life histories						JSPF Awards: Ceremony and Lectures				
<b>Other</b>											• On-site only •
											Banquet THE KOBE CRUISE

	9	10	11	12	13	14	15	16	17
<b>A</b>	Photosynthesis					Photosynthesis			
<b>B</b>	Plant hormones/Signaling molecules								
<b>C</b>	Cell wall								
<b>D</b>	Cell cycle/Cell division								
<b>E</b>	Plant-organism interaction B					Plant-organism interaction B			
<b>F</b>	Photoreceptors/Photoresponses					Flowering/Clock			
<b>G</b>	Biomembrane/Ion and solute transport								
<b>H</b>	Development/Morphogenesis				Luncheon Seminar on Gender Equality	Development/Morphogenesis			
<b>P</b>	Poster presentation								
<b>Q</b>						Poster removal 2P, 2Q			
<b>X</b>	Genome function/Gene regulation								
<b>Y</b>	Symposium S09 Bio-metal Strategies of Living Organisms					Symposium S10 Multilayered Regulation of Plastid and Mitochondrial genomes and gene expression			
<b>Z</b>									
<b>Other</b>	• On-site only •								
	Special Program: "Research Presentations by High School Students" Discussion, Award ceremony								
	Mounting posters	Odd numbers	Even numbers	All numbers		Award ceremony (Room Z)	Discussion (Room Z)
