

Wed., March 23, 16:30–18:30 Room X

## JSPP Awards Ceremony and Award Lectures

### Awards Ceremony

### JSPP Award, JSPP Young Investigator Awards, PCP Best Paper Award, PCP Top Cited Paper Awards, and JSPP Honorary Membership Award

16:30	Reports on Selection Process	Chairpersons of Award Committee
16:45	JSPP Award, JSPP Young Investigator Awards, PCP Best Paper Award and PCP Top Cited Paper Awards	JSPP President
16:55	Honorary Membership Award Masamitsu Wada (Tokyo Metropolitan Univ.)	JSPP President

### Award Lectures

Language: Japanese

17:05	A01	JSPP Award “Studies on transport mechanisms of mineral elements in crops” Jian Feng Ma (Institute of Plant Science and Resources, Okayama University)
17:25	A02	JSPP Young Investigator Award “Mechanisms of body axis formation in plant embryos” Minako Ueda (Grad. Sch. of Life Sci., Tohoku Univ.)
17:35	A03	JSPP Young Investigator Award “Elucidation of the post-transcriptional gene regulation to control cell differentiation in plants” Misato Ohtani (Grad. Sch. Front. Sci., Univ. Tokyo)
17:45	A04	JSPP Young Investigator Award “Molecular mechanisms of blue light-dependent stomatal opening” Atsushi Takemiya (Grad. Sch. Sci. Tech. Innov., Yamaguchi Univ.)
17:55	A05	JSPP Young Investigator Award “Functional and structural studies of diatom photosystem-light-harvesting supercomplexes” Ryo Nagao (RIIS, Okayama University)
18:05	A06	JSPP Young Investigator Award “Study on systemic signaling in plants and grafting” Michitaka Notaguchi (Bioscience and Biotechnology Center, Nagoya University)
18:15	A07	PCP Best Paper Award Jing Che, Naoki Yamaji, Takaaki Miyaji, Namiki Mitani-Ueno, Yuri Kato, Ren Fang Shen and Jian Feng Ma (2020) “Node-Localized Transporters of Phosphorus Essential for Seed Development in Rice.” <i>Plant and Cell Physiology</i> , 61 (8): 1387–1398 Jing Che (Institute of Plant Science and Resources, Okayama University), et al.
