

シンポジウム（指定された演者のみ） Symposium (Designated speakers only)		
SR-01	オミクス研究で読み解く植物のサステイナビリティとレジリエンス	Advanced plant -omics in plant sustainability and environmental resilience
SR-02	集光性アンテナ複合体研究の特異点	Singularity of the research on light-harvesting antenna complexes
SR-03	なるべきか、ならざるべきか？：発生における運命決定の多面的制御	To be or not to be: intricate controls on developmental fate determination
SR-04	Intercellular and Inter-organismal Communication	Intercellular and Inter-organismal Communication
SR-05	New horizon of plant cell biology: novel insights into organization, dynamics, and functions of plant cell cortex	New horizon of plant cell biology: novel insights into organization, dynamics, and functions of plant cell cortex
SR-06	原核光合成生物 ザ・シンポジウム	The Symposium of Phototrophic Microorganisms
SR-07	Underground Chatter: The hidden but lively exchange at the root-soil interface	Underground Chatter: The hidden but lively exchange at the root-soil interface
SR-08	Multi-signal processing mechanisms: how plants simultaneously deal with different stimuli?	Multi-signal processing mechanisms: how plants simultaneously deal with different stimuli?
SR-09	植物分子の空間測定・設計・生産制御・受容機構と作用の解析	Spatial sensing, design, production control and functional analysis of plant molecules
SR-10	陸圏・水圏のファイトコズムの成立基盤の解明に向けて	Toward Elucidating PHYTOCOSM: Multiscale Symbioses Between Photosynthetic and Heterotrophic Organisms on Earth

受賞講演（指定された演者のみ） Award lecture (Designated speakers only)	
学会賞	JSPF Award
奨励賞	Young Investigator Award
PCP Best Paper Award	PCP Best Paper Award
