

	9	10	11	12	13	14	15	16	17	18	19	
<b>A</b>		Photosynthesis					Photosynthesis					
<b>B</b>		Primary metabolism					Primary metabolism					
<b>C</b>		Specialized (secondary) metabolism			Luncheon Seminar* Leica Microsystems K.K.		Plant-organism interaction A					
<b>D</b>		Genome function / gene regulation					Genome function / gene regulation					
<b>E</b>		Development / Morphogenesis					Development / Morphogenesis					
<b>F</b>		New technology					New technology Bioresources					
<b>G</b>		Environmental response A / Physiological responses			Luncheon Seminar* NTT R&D		Environmental response A / Physiological responses					
<b>H</b>		Environmental response B / Environmental stresses					Environmental response B / Environmental stresses					
<b>P</b>		Poster presentation*										
		Poster Mounting 1P001 ~ 1P260									Questions and answers 1P001 ~ 1P260	
										Odd numbers	Even numbers	
<b>X</b>		Symposium S01 Frontiers in Developing Climate-Resilient and Socially Accepted Plants					Symposium S04 Priming and Memory of Plants in Facing Environmental Changes					
<b>Y</b>		Symposium S02 Unlocking New Frontiers in Plant Physiology with Mass Spectrometry					Symposium S05 Advances in Cellular and Molecular Signaling in Response to Internal and External Stimuli from Algae to Plants					
<b>Z</b>		Symposium S03 Advances in Engineering and Regulation of Plastids and Photosynthesis			Luncheon Seminar* PCP		Symposium S06 Underlying molecular antagonisms as drivers of plant diversification and ecological adaption					
<b>Other</b>												

	9	10	11	12	13	14	15	16	17	18	19
<b>A</b>	Photosynthesis					Photosynthesis					
<b>B</b>	Cell wall					Cell wall					
<b>C</b>	Plant-organism interaction A					Plant-organism interaction B					
<b>D</b>	Organelles / Cytoskeleton / Endomembrane system					Organelles / Cytoskeleton / Endomembrane system					
<b>E</b>	Development / Morphogenesis					Development / Morphogenesis					
<b>F</b>	Reproduction					Reproduction					
<b>G</b>	Environmental response A / Physiological responses				Luncheon Seminar* Evident Corporation	Plant hormones / Signaling molecules					
<b>H</b>	Environmental response B / Environmental stresses					Environmental response B / Environmental stresses					
<b>P</b>	Poster presentation*										
	Poster removal 1P001 ~ 1P260		Poster Mounting 2P001 ~ 2P268								
<b>X</b>	Symposium S07 Frontiers in Plant Science Revealed by Space Environments: From Molecular Mechanisms to Future Horizons										
<b>Y</b>	Symposium S08 Nuclear Architecture as a Scaffold: Structural Views on Gene Regulation and Cellular Function in Plants and Beyond										
<b>Z</b>	Symposium S09 Asymmetries in plant structure and signaling										
<b>Other</b>					Luncheon Seminar on Gender Equality* Academy Common 2F			JSPF Awards: Ceremony and Lectures Academy Common 3F		Banquet* Meiji University 18:00 ~ 20:00 The University of Tokyo 18:15 ~ 20:00	

	9	10	11	12	13	14	15	16	17	18	19
<b>A</b>	Systems biology					Systems biology					
<b>B</b>	Biomembrane / Ion and solute transport					Biomembrane / Ion and solute transport					
<b>C</b>	Plant-organism interaction B				Luncheon Seminar* ABiS						
<b>D</b>	Organelles / Cytoskeleton / Endomembrane system					Organelles / Cytoskeleton / Endomembrane system					
<b>E</b>	Development / Morphogenesis										
<b>F</b>	Photoreceptors / Photoresponses										
<b>G</b>	Plant hormones / Signaling molecules					Plant hormones / Signaling molecules					
<b>H</b>	Environmental response B / Environmental stresses					Environmental response B / Environmental stresses					
<b>P</b>	Poster presentation*										
				Questions and answers 2P001 ~ 2P268			Poster removal 2P001 ~ 2P268				
			Odd numbers	Even numbers							
<b>X</b>	Symposium S10 ASPB-JSPP Joint Symposium —Plant resilience and plasticity powered by dynamic cellular responses					Symposium S11 Next-Trend of Plant Biology in Japan and Taiwan					
<b>Y</b>						Symposium S12 Recent Advances in the Regulation of Photosynthetic Electron Transport and the Roles of Alternative Electron Flows					
<b>Z</b>					Luncheon Seminar* International Committee						
<b>Other</b>
