Plant a link, grow the future!

**Taiwan-Japan Plant Biology (TJPB) 2023**

**October 13 - 16, 2023   Taipei, Taiwan**

Humanities and Social Sciences Building, Academia Sinica
中央研究院人文社會科學館

**Keynote & Plenary Speakers**

- Chang-Hsien Yang
- Tetsuro Mimura
- Shu-Hsing Wu
- Takayuki Kohchi
- Cheng-Ruei Lee
- Tomonao Matsushita

**Sessions**

- Vegetative growth
- Nutrient transport
- Metabolism
- Non-vascular plants
- Cell organization and membrane trafficking
- Plant hormone and peptide signaling
- Regulation of gene expression
- Plant-microbe interaction
- Ecophysiology and crop improvement
- Genome and evolution
- Photosynthesis
- Reproductive growth
- Cell cycle and regeneration
- Photomorphogenesis and photoperiodic response
- Abiotic stresses
